Owner's Acknowledgements:

1. I understand… that all alterations and/or construction will be in compliance with Anne Arundel County building codes.

2. …that no work on this request shall begin until written approval by the Architectural Review Committee has been received.

3…if any construction or exterior alteration is undertaken without written approval of the Architectural Review Committee, I may be required to return the property to its former condition at my own expense if not approved.

4…that any approval is contingent upon construction or alteration being completed in a workmanlike manner.

5….that members of the Architectural Review Committee are permitted to make routine inspections.

6…that a copy of this application will be returned to me after review by the Architectural Review Committee for my permanent records.
